Reading <ul style="list-style-type: none">• Read a story of your choice from our Big Cat Library.• Draw a picture a character from your favourite story• Can you add speech bubbles to your drawing?

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device. It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.

Additional Websites

Please use the following websites to access additional learning.

<https://www.bbc.co.uk/bitesize>

This is a new service which will deliver a tailored day of learning across BBC iPlayer, Red Button, BBC Bitesize website and app, BBC Four and BBC Sounds, with curriculum relevant offers across the UK.

Together, this comprehensive package is aimed at minimising disruption to children's education and providing rhythm and routine in these challenging times.

<https://classroom.thenational.academy/>

The Oak National Academy has been created by 40 teachers from some of the leading schools across England, backed by government grant funding for every year group from Reception through to Year 10.

The Academy will support teachers by providing up to 180 hours of lessons a week. It will have free online daily lessons and resources during this challenging time.

Don't Forget to look at our website for an even wider choice of educational websites.
