In our SCARF learning this week we will be talking about 'Valuing Difference.' and focusing on ways in which we have different families and different homes.

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.

This week, we would like to invite the children to enter a competition. We would like them to learn a song that we can upload to our new BFIS YouTube Channel. The song is called 'Five Little Owls' and is sung to the tune of the well-loved nursery rhyme 'Five Little Men in a Flying Saucer'. We would like the children to learn and perform the song and upload it to their **Tapestry** account.

We will then choose 5 winners (one for each verse) and add them together for our first YouTube video (please only enter the competition if you are happy for your child's video to be shared on the YouTube platform). The 5 winners will receive a special prize, so get practising!

The closing date for the competition will be Wednesday 8th July. Please make sure your video is uploaded by this date.

We have added a PowerPoint below with the words of the songs and if you would like some music to help you learn, you can listen to link below...
