Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device. It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.

Additional Websites

Please use the following websites to access additional learning.

<https://www.bbc.co.uk/bitesize>

This is a new service which will deliver a tailored day of learning across BBC iPlayer, Red Button, BBC Bitesize website and app, BBC Four and BBC Sounds, with curriculum relevant offers across the UK.

Together, this comprehensive package is aimed at minimising disruption to children's education and providing rhythm and routine in these challenging times.
