

## Reception

Week Beginning: 06.07.20

# **English**

Read the story of 'Mr Seahorse' by Eric Carle. Several versions are on You Tube.

On Monday, write a sentence about the story – did you enjoy it? Why?

On Tuesday, can you research and write a fact about seahorses? They are fascinating creatures. Maybe you could learn your fact to tell a member of your family later.

On Wednesday could you print out and label a picture of a seahorse. Use the words: eye, tail, snout, fin.

On Thursday and Friday, have a talk to your adult about the camouflage in the story. Using one of the creatures in the story or any other animal that interests you, tell me about camouflage. How do animals do it and why? Maybe you could draw a camouflage picture to go with your writing.

# **Maths**

- White Rose Maths WB 06.07.20-
- Doubling and halving numbers
- Practise writing numbers 0 to 10 very carefully starting each one at the top and getting them the right way round. You could write them with chalk outside or water and a paint brush as well!

# **Topic**

- This week we are learning about seahorses.
- Can you cut and colour a sea horse and fold paper to make the fins?
- Use a template to sponge, splash or rub colour over and then remove to reveal you seahorse!

## **Try out these activities:**

Sing along to the song; Hey-ho-hey, Seahorse <a href="https://youtu.be/J3vWhM18PpA">https://youtu.be/J3vWhM18PpA</a>

Use Espresso to find out about seahorses and camouflage.

## Reading

• Read a story of your choice from our Big Cat Library.

Can you simply re-tell it to an adult at home. Who were the characters? What was the main event in the story?

Mrs Robinson and Mrs Parkhurst have made videos telling one of their favourite stories. Please find the links below:

You can also access The Oak Academy daily learning: <a href="https://www.thenational.academy/">https://www.thenational.academy/</a>

In our SCARF learning this week, we will be talking about 'Valuing Difference' and focusing on kindness and caring.

#### Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.

This week, we would like to invite the children to enter a competition. We would like them to learn a song that we can upload to our new BFIS YouTube Channel. The song is called 'Five Little Owls' and is sung to the tune of the well-loved nursery rhyme 'Five Little Men in a Flying Saucer'. We would like the children to learn and perform the song and upload it to their Tapestry account.

We will then choose 5 winners (one for each verse) and add them together for our first YouTube video (please only enter the competition if you are happy for your child's video to be shared on the YouTube platform). The 5 winners will receive a special prize, so get practising!

The closing date for the competition will be Wednesday 8th July. Please make sure your video is uploaded by this date.

We have added a PowerPoint below with the words of the songs and if you would like some music to help you learn, you can listen to link below...
