Please use the Remote Home Learning document that is available on the school website (found under the tab COVID19 Remote Home Learning and Support) and that has been sent to you by your child's class teacher at the start of the week (via Tapestry) as an overview of the learning for that week.

### **Screen Time Warning**

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
