Daily story time

Screen Time Warning

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.

Activity one : role-play

Dress up as your favourite character from a book of your choice. Pretend to be that character for World Book Day. You could even find a prop to use if you need one eg a walking stick!

Activity two : make your own reading den!

Find somewhere in your home to make your own reading corner – this could be a cave, den or simply just a quiet area. Make decorations or props for your reading area – be as creative as you like. Invite someone in your home to sit in your reading den and read your favourite story to them.
