

Make and send an Easter card.

Think carefully about who you would like to send a card to. Can you write a message inside the card and post it in a postbox?

Design an Easter egg with repeating patterns on it.

You might like to use colours, shapes or objects to create your repeating pattern. You could use paint, chalk or crayons.

Make some chocolate nests.

You will need an adult to help you with this challenge. Pour melted chocolate over crunchy cereal and mould into a nest shape. Add some chocolate eggs and you have a nest!

Make an Easter garden.

Fill an old plant pot or container with soil. You can create your garden by using small stones to make pathways, some grass or moss and some flower petals. You could also include some small world animals, such as chicks, rabbits and lambs.

Create some Easter-themed natural art.

Chalk an egg shape on the floor outside and fill it with natural objects, such as flowers, sticks and leaves.

Create your own Easter Bunny adventure story.

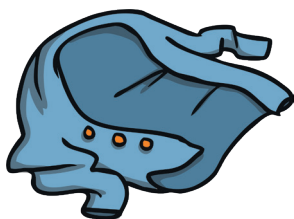

Can you think of your own story about an adventure the Easter Bunny had? Maybe he lost the eggs or forgot his map! You could ask an adult to write your story down for you and add pictures yourself.

Design a new outfit for the Easter Bunny.

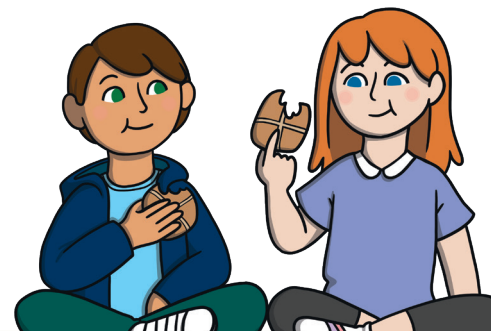

What do you think the Easter Bunny would like to wear? Make sure you include lots of pockets to keep Easter eggs in and an Easter bonnet for his head!

Taste hot cross buns.

You might like to toast one and eat one cold. Which do you prefer? Do you like butter on your hot cross bun? Do your friends and family like to eat them?

Go for a walk in your local area and look for signs of new life.

You might see flowers, buds on trees, insects or even a nest!

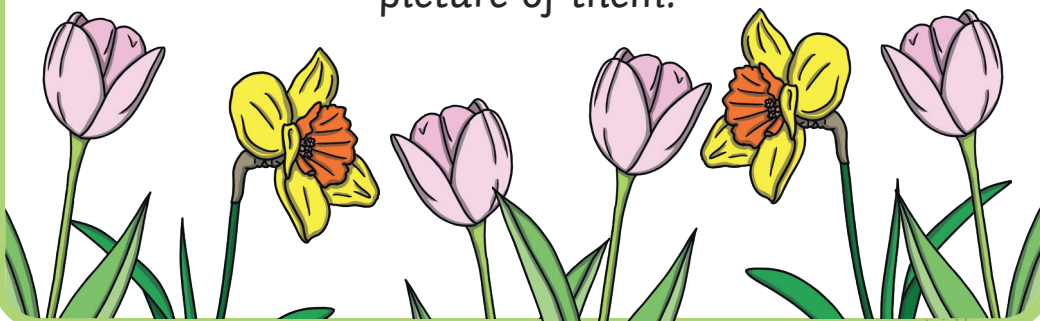

Get fit with the Easter Bunny!

Can you hop like a bunny 20 times? Experiment with different ways of hopping and jumping. Can you roll an egg (or a ball) up your arm, across your chest and down the other arm without taking your hand off it? You could even organise an egg and spoon race!

Look after some spring flowers.

Find some spring flowers and make sure they have plenty of water and light. You might like to go back and check they are growing well and take a picture of them.

Draw a map for an Easter egg hunt.

You might draw a map of your own garden, your school field or a local woodland area. Where would you hide Easter eggs for your friends to find?
