| $\cdots$ English |  |
| :---: | :---: |
| Monday WALT: write a list | What did you do over the weekend? Make a list of some of the things you did and draw a picture for each one. |
| Tuesday <br> WALT: think of different adjectives. | Select 5 things you did. For each one write a list of adjectives and verbs (up to 3 of each). Try to think about different adjectives, not just size and colour. <br> Extension: How did you feel when doing these activities? Write down some emotions e.g. happy, excited. |
| Wednesday WALT: write full sentences using correct letter formation. | For each of your 5 pictures and list of adjectives and nouns, write a sentence for each one. You must use at least one adjective and one verb in each sentence. <br> Extension: Can you use commas to separate more than 2 adjectives? |
| Thursday WALT: write full sentences using correct letter formation. | Write a draft of you recount. Have you missed any capital letters, full stops, used correct letter formation, used different adjectives? Read your sentences to see if they make sense and they flow; and check if there is anything you can change or add too, to improve your draft recount. |
| Friday <br> WALT: write a recount | Use your plan from the previous days to write a recount of the things you did over the weekend. Remember to use adjectives, capital letters and full stops. Extension: Can you join your sentences using and or because. |

## Maths

| Monday WALT: recognise, read and write numbers to 100. | https://teachers.thenational.academy/lessons/to-recognise-read-and-write-numbers-to-100-ctk64t Using your knowledge of tens and ones, on a place value grid show how many tens and ones are in the following numbers: $56,67,32$, seventy four, ninety six. For each number, count in 10 and then ones e.g. 10, 20, 30...31, 32. |
| :---: | :---: |
| Tuesday WALT: explore the components of numbers within 100. | https://teachers.thenational.academy/lessons/to-explore-the-components-of-numbers-within-10070tk4t <br> Watch the video about the components of numbers within 100 and then work through the presentation. After this, work through the worksheet section of the lesson. |
| Wednesday WALT: explore the components | https://teachers.thenational.academy/lessons/to-explore-the-components-of-numbers-within-100-part-2-6dhk2t |

| of numbers <br> within 100 part <br> 2. <br> 2. | What happens when you get to 99 and add 1 more? Using lego or cubes or anything you have lots of, make 10 groups of 10 . How many do you now have? Using a place value grid, we can write this as <br> $\mathrm{H}\|\mathrm{T}\| \mathrm{O}$ <br> 1 \|o|o <br> Work through the presentation to see more examples of representing 100 and then work through the worksheet at the end. |
| :---: | :---: |
| Thursday WALT: apply knowledge of number bonds. | https://teachers.thenational.academy/lessons/to-apply-knowledge-of-number-bonds-75hp4d You will need a part-whole model, a place value grid and a number line to 100 . Here is a link to a number line online https://apps.mathlearningcenter.org/number-line/ With the following numbers, write the number of tens and ones in the PV grid, then write it in the part whole model. Finally, using the number line, makes jumps of 10 to represent the tens and then jumps of 1 . The numbers are: $63,52,81,94$ and 78 . |
| Friday WALT: one more or one less and ten more and ten less. | https://teachers.thenational.academy/lessons/to-find-one-more-or-one-less-and-ten-more-or-ten-less-ccvk6c <br> Find one more and one less than the following numbers: $12,23,34,45,56$. Use the sentence stems to help you ' $\qquad$ is one more than ' ' $\qquad$ is one fewer than __, <br> Now find ten more and ten less than the same numbers. To help you, you can use a place value grid and/or a 100 square. |
