

Maths

We will be focussing on numbers from 0 - 10 and applying them to the following skills:

- Addition and subtraction within 10
- Number bonds within 10
- Shapes and patterns

Science

We will start our year-long investigation into the four seasons as well as learn the five senses and identify and name some common animals.

PE

We will learn how to move like some of the animals in Percy's park to create a simple dance routine.

Art & DT

We will make a home for a hedgehog and learn about primary and secondary colours to create a picture.

English

When we become expert park keepers in our Mantle of the Expert we will be using this as inspiration for party planning to write invitations and a four-part sequence story.

Percy in a Pickle

PSHE

We will learn the school's Owl Code and the Capes of Successes as well as make our class rules.

Year 1 Autumn Term 1

Music

We will follow the 'Hey You' unit on Charanga as well as learn how to join in with musical games and use percussion instruments.

Geography

We will learn the difference between human and physical geography as well as learn how to draw and use simple maps.

RE

We will be learning about the Harvest Festival as well as identify and celebrate the special people in our life.

Term dates:

- Start of term: 2nd September
- End of term: 20th October
- Friday 8th October Sponsored Walk
