

Maths

We will be focussing on numbers from 0 - 20 and applying the following skills:

- Addition and subtraction
- One more and one less
- Double and halving

English

We will be writing about our favourite toys using character descriptions and putting our toys into our very own story.

Music

We will listen to a range of songs on Charanga to learn about beat, pulse and rhythm. We will also be learning songs for our Christmas performance.

Humanities

We will learn about toys from the past and use these to explore the passing of time.

RE

We will be learning the special places for different religions.

Toytastic

Science

We will be using our toys to learn about different materials and their properties.

PE

Toys move in lots of different ways so we will learn how to move like toys in dance and gymnastics.

DT

We will make our very own toy using springs and a pulley system.

PSHE

We will be learning about healthy relationships with our friends and family.

Term dates:

- Start of term: 1st November
- End of term: 17th December
- Year 1 Christmas concert 1st and 2nd December
