

English

Firstly, we will be writing a recount about a real event. Then we will begin to plan our retelling of a section from 'George's Marvelous Medicine'. We will also continue to develop our reading and SPaG skills.

PSHE

Our topic will be 'Valuing Difference' which is all about understanding who we are and how our actions impact others.

Design and Technology

In contrast to George's disastrous concoction, we will be making a healthy smoothie. We will be designing and evaluating effective packaging, identifying healthy choices and tasting existing smoothies. We will then create and evaluate our own smoothies.

Music

We will be following the festive unit 'Ho Ho Ho' from Charanga. We will appraise the song and learn to perform it using a range of instruments.

George's Marvellous Medicine

Year 2 - Autumn 2

Computing

We will continue our learning on E-Safety and begin to think about the outcomes of different programs and algorithms.

Mathematics

We will be covering the following topics:

- Length
 - Graphs
 - Multiplication and division
- As well as carrying on with our daily mathematics meetings to address any gaps or misconceptions.

Science

We will be working scientifically to identify, sort and compare materials, discussing their uses. We will then identify materials that float and sink, finishing by looking at the changing states of water.

PE

Our two units this half-term will include games and gym.

RE

Our focus this half-term will be Islam, before moving on to Christianity and advent.
