

English

We will be writing both fiction and non-fiction texts this half-term. We will learn about facts and opinions, as well as different types of sentences and punctuation to help us achieve this.

History

We will step back in time to 1666 and learn about the events of the Great Fire of London. We will sequence key events and consider what life was like back then compared to how we live now.

Computing

After revisiting E-safety, we will continue to develop our typing skills and use a range of computer programs to write and alter text and create digital art.

RE

After learning about special books and stories, we will be focusing on the religion of Judaism and the story of Esther.

Science

We will be continuing our learning on materials, comparing their suitability and shape. We will also learn about a balanced and healthy diet.

The Great Fire of London

Year 2
Spring 1

Mathematics

We will be covering the following topics:

- Time
- Fractions
- Addition and subtraction

As well as carrying on with our daily mathematics meetings.

PSHE

Our next PSHE unit will involve learning about how we keep ourselves and other people safe.

Music

We will be following the Charanga unit 'I Wanna be in a Band'.

PE

We will cover two topics this half-term, Dance and Games.

Art

The artist we will be focusing on this half-term is Paul Klee. We will experiment with shape, colour and different mediums.
