

### Maths

We will be focussing on:

- Reading, writing and telling the time to the nearest o'clock and half past.
- Revisiting addition and subtraction strategies within 20.
- Learning numbers to 50.

### Science

We will be identifying and naming common wild and garden plants as well as observing seasonal changes from winter to spring.

### PE

In games we will be focussing on travelling at different speeds and in dance we will be learning simple dance steps linked to music about weather.

### Art

Using the 'Katie in..' books, we will be designing and making clothing for different seasons.

### PSHE

We will be learning about healthy relationships and feelings and emotions linked to those relationships.

## Let's Explore

We will be using our local area to write non-chronological reports and recounts. These will be about welcoming someone new to this part of the UK as well as a historical event and famous person for this location.

### Music

We will listen to a range of songs on Charanga to learn about beat, pulse as well as learning to play some percussion instruments.

### Humanities

We will learn to read and use a simple map and identify local human and physical features.

### RE

We will be learning special symbols and objects at home, Buddhism and The Festival of Wesak.
