

## Maths

We will be focussing on:

- Revisiting calculations within 20
- Identifying  $\frac{1}{2}$  and  $\frac{1}{4}$  of shape and quantity.
- Use cm to compare length and kg to compare mass.

## Science

We will be identifying and naming common wild and garden plants as well as observing seasonal changes from winter to spring.

## PE

In games we will be learning to hit a ball and in gymnastics we will create a sequence containing three movements as well as using parts of our body to create shapes.

## DT

We will be making Scottish inspired shortbread to celebrate Easter.

## PSHE

We will be learning about what choices we make to have a healthy lifestyle including: personal hygiene, food choices and routines.

## English

This term we will be writing longer four-part stories as well as voyage and return narratives inspired by the 'Katie in...' books by James Mayhew.

# Let's Explore

## Year 1 Spring Term 2

## Music

We will listen to a range of songs on Charanga to learn about beat, pulse and rhythm as well as learn to play percussion instruments.

## Humanities

We will learn to name, locate and identify characteristics of the four countries and capital cities of the UK and its surrounding seas. We will learn how to use an atlas and a globe.

## RE

We will be learning about Easter and the traditions, symbols and objects associated with this religious event.
