

# English

This term we will be writing stories and instructions inspired by The Gruffalo, The Stick Man and traditional fairy tales. We will also be finding out about different animals and creating our very own fact files.

## Year 1 Summer Term 2

# Maths

We will be focussing on:

- Multiplying methods
- Dividing methods
- Solving problems that involving comparing different measurements

# Science

We will be learning to name and identify the names of different animals as well as conclude our long-term investigation into seasonal changes and look at the patterns we have discovered.

# PE

In gymnastics we will be learning to perform two-footed jumps as well as use apparatus at different levels. In games we will take part in simple attacking and defending games as well as learn to hit a target.

# Computing

We will be learning how to search, find and copy an image onto a document.

# PSHE

We will be learning about how our bodies change and grow over

## Down in the woods

# Music

We will listen to a range of songs on Charanga to learn about beat, pulse and rhythm.

# Art

We will create a collage using different animal skin patterns.

# RE

We will be learning about the Hindu Gods as well as The Creation Story.
