

Year 1 takeaway homework

Autumn topic – Out of this World

This half term we are learning all about Space and the history of space travel. We would love for you to continue this exciting topic with the children and have listed lots of fun and exciting activities to do at home. Please share their fantastic work on Tapestry. We appreciate your support in developing a love for learning and any questions please speak to your class teacher.

Thank you!

☺ Year 1 team ☺

Look up at the sky at night.
What do you notice about
how it is the same or
different to during the day?
Can you write some sentences
to compare day and night?

Can you design and/
or make your own
model of a rocket?

Can you paint or draw
a space picture- don't
forget to include the
planets, sun, stars and
moon.

Can you do some research
to find out about an
astronaut who has been
to space? You could
choose the first person in
space, the first man on
the moon, the first women
in space or someone else.

What would you do if you
owned a rocket? Can you
write a short story about
your adventures?

What shapes are planets, stars and
rockets? Can you use 2d shapes to
create a picture of something related
to our topic and then write and label
the shapes you have used.
