# Primary PE and Sport Premium - Key Indicators

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

**There are 5 key indicators that schools should expect to see improvement across:**

**1.** The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school

**2.** The profile of PE and sport is raised across the school as a tool for whole-school improvement

**3.** Increased confidence, knowledge and skills of all staff in teaching PE and sport

**4.** Broader experience of a range of sports and activities offered to all pupils

**5.** Increased participation in competitive sport
