PARENT, CARER AND VISITOR CODE OF CONDUCT

At Barnes Farm Infant School, we are very fortunate to have supportive and friendly parents. Our parents recognise that educating children is a process that involves partnership between home and school and understand the importance of a good working relationship to equip children with the necessary skills for adulthood. For these reasons, we welcome and encourage parents/carers to participate fully in the life of our school.

The purpose of this policy is to provide a reminder to all parent and visitors to our school about expected conduct so that we can work together to ensure a safe and positive school environment for our children.

RESPECT AND CONCERN FOR OTHERS AND THEIR RIGHTS

This guidance supports implementation of the Home-School Agreement. We expect parents and carers to show respect and concern for others by:-

- supporting the respectful ethos of our school by setting a good example in their own speech and behaviour towards all members of the school community;
- working together with teachers for the benefit of children. This includes approaching the school to resolve any issues of concern and to discuss and clarify specific events in order to bring about a positive solution. Concerns should be raised with the class teacher in the first instance;
- reinforcing the school's policy on Behaviour;
- respecting the learning environment appropriately (both in school and off site),
- parking with consideration and respect for others when delivering and collecting children from school.

In order to support a peaceful and safe school environment, the school does not tolerate:-

- disruptive behaviour which interferes with the operation of a classroom, an office area or any other part of the school grounds;
- using loud and/or offensive language or displaying temper;
- threatening harm or the use of physical aggression towards another adult or child. This includes approaching someone else's child in order to discuss or chastise them and physical punishment against your own child on school premises. (Some actions may constitute an assault with legal consequences.);
- damaging or destroying school property;
- abusive, threatening, malicious or inflammatory emails, phone or social network messages
- smoking and consumption of alcohol or other drugs or accessing the school site whilst intoxicated.

The behaviours above, on school premises, will be reported to the headteacher and governors may prohibit an offending adult from entering the school grounds to safeguard our school community.

We trust that parents, carers and visitors will fully support this Code of Conduct. Thank you
Rachel Welch
