

Eco-Committee

Time and date of the meeting:
1.30pm Wednesday 1st May

Eco-Committee members present:
Scarlett, Erin, Caitlin, Mia, Alex, Elsie,
Brooke, Lucy, Emelia
Mrs Tully- Eco – School Leader
Mrs Barnett- Office Manager

Eco-Committee members not present:

What was discussed?

We organised a litter collection and collected 5 carrier bags of litter from around the playground, paths and from the flower beds at the front of the school.

We made posters to put up on the Atrium doors to remind everyone to put their litter in the new bins on the playground.

Mrs Barnett joined us at 2.30pm to ask for our help with some exciting new projects. Our waste food from lunchtime is going to be collected by Chelmsford City Council for recycling.

We are going to start collecting old mobile phones, used printer cartridges and old clothes. These will be collected and recycled instead of going to landfill and our school will benefit by receiving payment for what we collect.

Mrs Barnett asked committee members if they could design posters for our school website to let everyone know how they can help.

Next steps:

Talk to everyone in Assembly and show them how much litter we picked up. Show our posters and ask everyone to help take care of our school grounds.

Talk to our classes about how our waste food from lunch time is going to be recycled.

Design a poster to advertise collecting old mobile phones for the school website.

Organise a competition to design a logo for a clothing collection bin.

When and where is the next meeting?
Staff room, date to be arranged.
