Lambs and sowing the seeds

It is lambing season now on the farms in our country and the farmers are getting ready to sow new seeds!

Screen time warning.

**While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV,
not all tasks will require such a device.**

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
