Topic Task (15 mins)

WALT: Identify living and non-living

Can you find 5 things around your home or outside area that are non-living? Record what you find in your **purple books** and explain how you know they are non-living.

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
