Active Task

'Mirror mirror'

With an adult or sibling, one of you makes a movement or pose and the other person must copy. Be as active as you can and stay safe too. Keep swapping roles from person leading to person copying.

Creative Task

Fingerprint art.

If you do not have paint or ink, try using playdough.
Be as imaginative as possible and could you make some fingerprint art minibeasts?
Remember to upload photos to Seesaw.

Act of Kindness Task

Help with the housework or gardening. Ask an adult if you are unsure about anything.

Watch and enjoy. Discuss the story and movements of the creatures.

Topic Task

WALT record using a tally chart.

Have a minibeast hunt and keep a tally of how many each minibeast you find.

| | Minibeast | Number Found |
|---|-----------|--------------|
|  | ant | |
|  | bee | |

This is an example of two minibeasts, you can do as many as you like but at least 5 minibeasts need to be done. You can record this in your [purple book](#).

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
