Today's tasks

Date: Friday 25<sup>th</sup> April

### English – Write to Impress (30 mins of writing)

Journey of a minibeast.

Close your eyes, take a moment to think of which minibeast you want to be. Imagine you are going on a journey from your minibeast home, into the wild, maybe to a flower or vegetable patch and back again.

What will you see along the way? How will you move?

You could practise your journey inside or outside before you start writing.

In your writing, use exciting adjectives (from Wednesdays learning), verbs and adverbs (from yesterday's learning) and describe your journey as a minibeast.

**Challenge Activity – none for today.**

### Maths (20 mins)

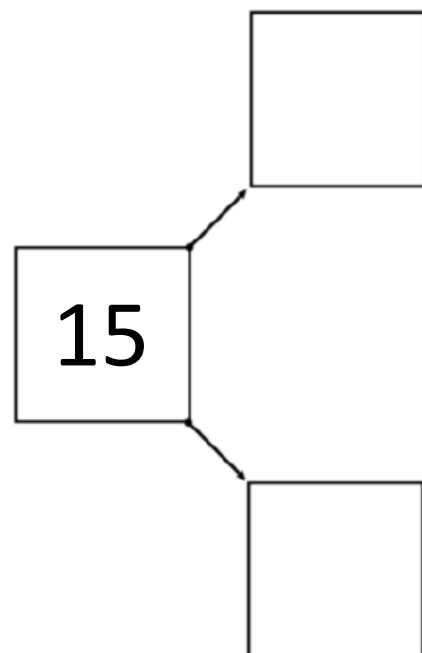

WALT show number bonds.

In your **purple book**, write all number bonds to 15, 17 and 19 as part-part whole models.

You should represent each part using pasta, rice, Lego, stones or anything else you can think of before writing them in your book.
