Topic Task (20 mins)

WALT: Identify living and non-living

Choose 2 objects that is non-living, describe what materials they are made of and compare the properties of those materials.

Choose 2 object that is living and describe what they need to stay alive. Do they both need the same in order to stay alive?

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
