Today's tasks

Date: Tuesday 28th April

English – Writing (25 minutes)

WALT identify verbs.

Do you remember what a verb is? Watch the clip.

<https://www.bbc.co.uk/bitesize/topics/zrqqtfr/articles/zpxhdxs> and complete the activities.

Play verb charades with a grown up! Write some verbs onto small pieces of paper, fold in half and put into a bowl. Take turns picking a verb and then act out the action. Can you guess the verb?

Challenge Activity: Write some sentences in your **purple books** or in **any notebook** and underline the verbs.

Maths (25 minutes) – WALT use non-standard measures to compare height and length.

Star Words: compare, height, length, shorter, shortest, taller, tallest, longer, longest.

Using the same toys or objects as yesterday, now use something to measure the height length or each toy. Lego blocks, pasta pieces, blocks or paperclips would all work. Line them up carefully and count how many you need. Tell your adult what you **notice** and **compare** the heights or lengths.

Record what you find in your books.

Website to visit/game: This week have a try at Karate Cats maths games!

Try the addition and subtraction. <https://www.bbc.co.uk/bitesize/topics/zikphbk/articles/zf4sscw>

Challenge Activity: Measure the same toy with two different things e.g. try buttons and then Lego bricks. What do you **notice**?

Phonics (10 minutes)

We are exploring alternative ways of pronouncing sounds. Today is **ow**. Look at these words. Read them and sort into the different ways we say them - cow, frown, low, owl, snow, window, brown, bowl, show. Use your **robot arms** to help you sound out and read these sentences.

Is the brown owl at the window? Did the cow put his food in a bowl? Can a shadow be brown?

Tricky words: Can you spell these words? little, one, do. See how many times you can write them in a minute.

Active Task

Cosmic Kids Yoga - Arnold the Ant

Topic Task (20 minutes)

Thinking back to yesterday, please draw a picture of your favourite minibeast and then label it. You could use some of these words for the labels: leg, head, antennae, body, wing.

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
