Maths (15 minutes)

This week we will be looking at money. You are going to use your money pot today just like you did yesterday.

Your first job is to find all of the 5p coins. Count how many there are and write down how much money you have.

Now count all of the 10p coins and write down how much money you have. Can you count in 10's?

This week log in to Purple mash and look for the addition and subtraction race game. Have fun learning!

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
