Once finished, please feel free to explore the other websites on our school webpage if you would like to do more.

Phonics

We are exploring alternative graphemes of the same sound. Today is **oi and oy**. Look at these words. Read them and sort into the different ways we say them – toy, foil, soil, royal, moist, decoy, enjoy, boil, cowboy, avoid.

Read the following passage using robot arms to help sound out unfamiliar words. Underline **oi and oy** words.

Royal Roy

Roy is a spoilt royal prince and he's only seven years old. He enjoys annoying staff in the castle by being noisy and destroying things. One day, Roy was singing in a very loud voice in his room when there was a *knock* on the door. It won't be the castle staff he thought, they try to avoid me. Prince Roy slowly opened the door to find a toy crown sitting on the floor with a note beside it. 'One day you will be king. A king who is kind to his people will bring joy to his kingdom. Make the right choices my boy and be considerate of others. Love Dad x'

Topic Task

Bring your garden or newly invented flower to life.

Use the topic lesson from yesterday to build your garden or flower from whatever you have available;
Lego, playdough, grass, twigs or anything else you can think of.

It might take a little time so work in 20-minute blocks and have a break of 5 minutes in between.

Upload photos to Seesaw.

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
