### Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV,  
not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some  
down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active,  
reading and interacting with those at home.

Thank you.
