Maths (15 minutes)

Today you are going to learn to recognise different coins.

Your first job is to ask the grown-ups to hide a selection of 20p coins, 50p, coins and £1 coins in your house or garden.

**Now you are going on a coin hunt to find all the hidden coins and collect them into your money pot.
Can you recognise the coins as you find them?**

This week log in to Purple mash and look for the addition and subtraction race game. Have fun learning!

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
