Maths (15 minutes)

Today we are going to solve money word problems. You can use your money pot to help you. Remember your addition learning from the previous weeks this will help you too.

Dan wanted to buy some toys from the shop. He wasn't sure if he had enough money to buy the toys, can you help him?

The first toy Dan wanted to buy cost 11p? In his money pot he has four 1p coins, two 2p coins and one 5p coin. Can you help Dan count his money? Can Dan buy the toy?

The second toy cost 16p. In Dan's second money pot he has one 10p coin, one 5p coin and one 2p coin. Can Dan buy the toy? Will he get any change?

This week log in to Purple mash and look for the addition and subtraction race game. Have fun learning!

Screen time warning.

**While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV,
not all tasks will require such a device.**

**It is important that children do not spend too much time in front of a screen (learning or having some
down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active,
reading and interacting with those at home.**

Thank you.
