English – reading -20 minutes

WALT: Answer questions about a text.

17th December 2015

Dear Diary,

I am settling into my new life on the International Space Station. My first full day was spent checking everything was safe and getting used to being weightless. It is a very strange feeling and takes a while to get used to!

I start every day with a meeting with the other astronauts. We all talk about what we are doing that day. We often spend the day exercising, doing experiments and fixing things on the spacecraft. At the end of the day, we have another meeting and then sit down together for a meal of freeze-dried food. It tastes very different to the food back on Earth but I'll have to get used to it!

The only day I don't like is Sunday, because it's cleaning day! The whole crew help to give the spacecraft a Hoover and wipe. Dust floats around in space so it's really important to keep things clean and tidy!

Read the diary entry of astronaut Tim Peak and then answer the questions below:

- 1) What does the Tim do on his first day?
- 2) What do you think the word weightless might mean?
- 3) Find and copy one word that shows how Tim is feeling.
- 4) Which day does Tim not like? Why?

Presentation expectation

WALT and date in **purple books** or any notebook you have at home.

Challenge Activity

How do you think Tim feels about freeze- dried food? Give 2 reasons for your answer.

WALT: Add and subtract tens.

This week's home learning will be using the White Rose videos and activities.

Please watch the video together, then have a go at the practice questions in the video. When you have finished you can check your answers together. You can talk through any mistakes and discuss how they can be corrected.

Today's lesson video can be found here

<https://whiterosemaths.com/homelearning/year-2/>

Summer Term – week 4 (w/c 11th May) Lesson 1

Please note that the activity sheets may not be available for free today – if so, please use the BBC link below and complete an activity sheet from there.

If you want to do more mathematics try today's BBC Bitesize Daily Lessons - scroll down the page to the bottom and click on the activity sheets to get more tasks linked to the day's learning.

Presentation expectation

WALT and date in your **purple book** or any notebook you have at home.

Active Task

Make a ball out of things you have at home- you could use socks, paper, or anything you can find.

How many times can you throw and catch the ball to a partner?

How many times can you throw and catch the ball to yourself without dropping it?

Creative Task

Use things you have around the house to make a musical instrument.

Then perform a song to your family.

Don't forget to share your creations on seesaw.

Act of Kindness Task

Give someone in your home a complement
- say something nice about them.

Today's Story

Log on to Collins Big Cat Books – Login details are in your Home Learning Pack / Reading Diaries.

<https://connect.collins.co.uk/school/portal.aspx>

Read a book from your colour band. Let us know what you think of your book.

Share a special book with someone in your family- tell them why you choose that book to share with them and why you think it is special.

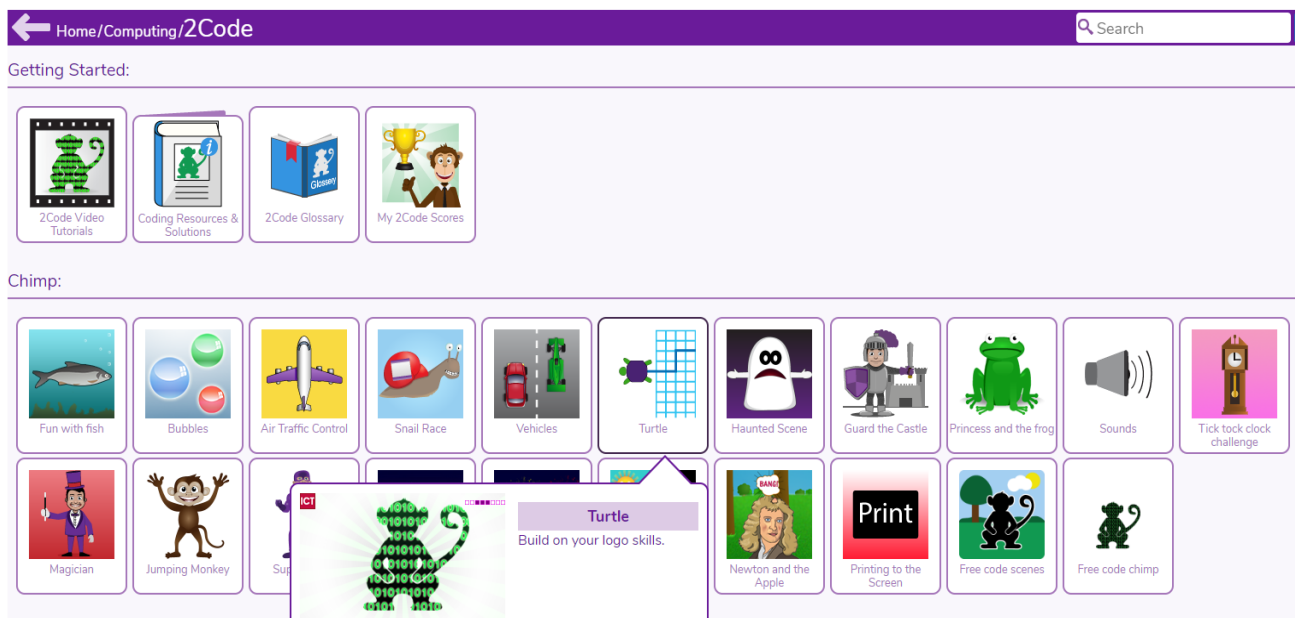

Topic Task -10 minutes

WALT create simple programs.

Have a go at the 2code Turtle game on Purple Mash.
Can you make the turtle move and complete the challenges?

This can be found by logging into purple mash, selecting computing/ 2code/ turtle.
It has also been set as a 2do on Purple Mash.

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
