English (20 minutes)

This week we want you to begin to write a little sentence that you make up yourself.

Try to use a word from the list below in the sentence.

We will give you a picture. Talk to someone in your house about the picture telling them all about what you can see and what it might be like to be there.

Then think of a sentence you can write about the picture.

Your picture today is:

Play Earth Squad this week to find out facts about our world.

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
