Topic Task- (10-15 minutes)

WALT identify oceans and continents.

Can you think back to our learning about maps of the world? Look at a world map online or an atlas if you have one. Can you find all the continents and oceans?

Can you explain to an adult the difference between an ocean and a sea and a country and a continent? Write down your answers in your purple book or any notebook you have at home.

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device. It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
