

Year 2

Today's tasks

Date: 19.05.20

Do not forget to have a look at our website to see awareness days/festivals happening this week.

English – Write persuasively (20 minutes)

Presentation expectation WALT and date in your purple book or any notebook you have at home.

Website to visit/game https://www.bbc.co.uk/bitesize/clips/z29b4wx Challenge Activity Design a poster to convince people to take more exercise.

Maths –20 minutes

WALT: Length, height, capacity and mass.

This week's home learning will be using the White Rose videos and activities.

Please watch the video together, then have a go at the activities by clicking on the tab next to it. When you have finished check your answers together. You can talk through any mistakes and discuss how they can be corrected.

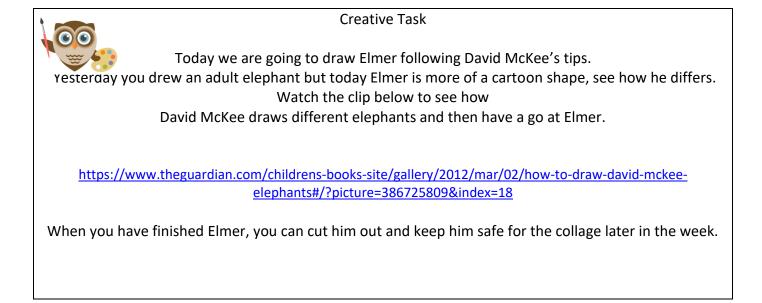

Once finished, please feel free to explore the other websites on our school web page if you would like to more.

Today's lesson can be found here. <u>https://whiterosemaths.com/homelearning/year-2/</u>

Summer term-week 5 (w/c 18th May) Lesson 2 Length, height, capacity and mass

Active Task Cosmic Kids Yoga Dance Party

Act of Kindness Task

Offer to tidy a cupboard or drawer in your house, ask your parent which one would be best.

Today's Story Choose a favourite story of yours to read to a member of your family, remember to make the story sound interesting and exciting.

Another of the Elmer stories for you to enjoy listening to. This is "Elmer and Rose" when Elmer and his cousin Wilber meet up with Grandpa Eldo and Rose.

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device. It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home. Thank you.
