Active Task

Creative Task

Still with our elephant theme, today we are going to draw a young elephant, you might like to draw this one on card (such as an opened out cereal box) to use as a template. You could then cut out your template to draw around and make several small elephants for your collage, (if you flip the template over they will face the other way). <https://www.youtube.com/watch?v=JCvilRyE6Io>

If you remember from the first Elmer story there were lots of decorated elephants, choose your favourites and have a go at copying them or design your own theme.

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device. It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
