Dear Granny,

We are having a lovely time by the sea. We have been very lazy and spent lots of time asleep on the beach. I've been spending my pocket money on freezing cold ice cream. Maybe tomorrow we will go for a donkey ride. They are not cheap but it would be a real treat.

See you next week.

Love

Act of Kindness Task

Today's Story

Have a look through your home library to see if you have any books about animals. Choose on to share with your adult or a sibling.

Read a book in your reading band colour for 5-10 minutes. Talk about what you notice in the book.

Topic Task

This week we will start finding out about animals! Each day we will watch a short film teaching us about how animals are classified and sorted into different groups.

https://central.espresso.co.uk/espresso/primary_uk/subject/module/video_index/item1149557/grade1/index.html

Click on the link and today we will watch two videos 'Animals' and 'Mammals'.

Now in your purple book or any notebook or paper draw one mammal from the video and write a sentence saying why it is a mammal. The sentence could be 'This is a **mammal**. I know this because.....'

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
