English –20 minutes

WALT: write a story

Use this picture to write a story about where the girl has come from and where she might be going.

Presentation expectation

WALT and date in **purple books** or any notebook you have at home.

WALT: share.

This week's home learning will be using the White Rose videos and activities.

Please watch the video together and have a go at the questions in the video. When you have finished you can check your answers together. Then click the link to BBC bitesize next to the video. When on BBC bitesize choose today's lesson and scroll down to the activity sheet, this will be linked to the same learning as the White Rose video. You can talk through any mistakes and discuss how they can be corrected.

Today's lesson video can be found here

<https://whiterosemaths.com/homelearning/year-2/>

BBC bitesize (for the activity sheet) can be found here

Summer Term – week 6 (w/c 1st June) Lesson 2

If you want to do more mathematics try today's BBC Bitesize other games or look on the school's website for ideas of other websites to visit.

Presentation expectation

WALT and date in **purple books** or any notebook you have at home.

Active Task

Today it is your choice what you would like to do for your active task. You could go for a bike ride, go for a walk, do some dancing, do a Jo Wickes work out or some yoga with cosmic kids, whatever you would like.

Creative Task

Make a portrait of someone out of natural resources.
What will you use for the hair, eye, nose, mouth?

Act of Kindness Task

Help your adult with a job around the house. Ask them what job you can do to help them.

Today's Story

Log on to Collins Big Cat Books – Login details are in your Home Learning Pack / Reading Diaries.

<https://connect.collins.co.uk/school/portal.aspx>

Read a book from your colour band. Let us know what you think of your book.

Choose a 'bed time story' you would like to listen to

<https://www.bbc.co.uk/iplayer/episodes/b00jdlm2/cbeebies-bedtime-stories>

Topic Task -15 minutes

WALT: Identify the parts of the body

Label as many parts of the body that you know.

You could do draw a diagram on paper, if you have chalk you could ask someone to draw round you in the garden or you could label yourself or someone else with post-it notes or small pieces of paper.

Challenge: can you name any of the muscles that we have in our body?

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV, not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active, reading and interacting with those at home.

Thank you.
