Topic Task (15 minutes)

This half term we are talking about the sea and the creatures that live under it.

Log in to BBCBitesize. Watch the film clip all about fish again.
Now look in a book or on the internet and find out 3 more facts about fish.

Screen time warning.

While some tasks involve a device with a screen such as an iPad, computer, laptop, tablet, phone or TV,
not all tasks will require such a device.

It is important that children do not spend too much time in front of a screen (learning or having some
down time) and are enjoying other activities such as colouring, drawing, playing with toys, being active,
reading and interacting with those at home.

Thank you.
